Since 1899, the Veterans of Foreign Wars has sought ways to help and encourage those veterans in uniform and recently discharged and their families.

In recent years, we have received numerous requests from these individuals requesting dollars for education and training. The VFW Military Family Scholarship is our response to those requests.

**ENTRY FORM – VFW MILITARY FAMILY SCHOLARSHIP**

The program provides twenty-five \$3,000 scholarships each year to VFW members who are currently serving in uniform or have been discharged within the thirty-six months prior to the December 31 deadline each year. The scholarships will be awarded during the first quarter of the year following the deadline – five for each branch of service – Army, Navy, Marine Corps, Air Force and Coast Guard. Winners will be selected from entries received throughout the year and based on the entry form included in this brochure.

Scholarships are awarded solely on the basis of the information contained on the entry form.

Documentation of the information provided on the entry form will be required and documented before the scholarship can be awarded. Scholarships may be used by the veteran (those still in uniform are considered veterans), or a member of the veteran’s immediate family. Entries from National Guard and Reserve members will be considered along with their parent branch of service.

The completed entry form and documentation should be mailed to:
